COLOR & TEXTURE CHART

NS4100 Regular, Anti-Slip Vinyl Safety Tape

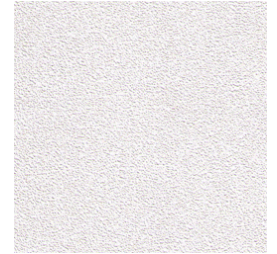

Hundreds of Applications:

Showers, bathtubs, stair treads, boats, locker rooms, therapy rooms and equipment, entryway, swimming pools, step stools, golf carts, aquatic equipment and dozens more.

NS4100 Regular is a textured vinyl which provides firm traction in both wet and dry conditions. This surface provides a comfortable feel to bare skin and enhances the appearance of a wide variety of products and traffic areas. It is supplied with an aggressive, pressure-sensitive adhesive system which is functional both indoors and out. Excellent conformability to irregular surfaces. It is easily installed in seconds to most clean, dry, oil-free surfaces - just peel off the paper backing and press in place - it's ready immediately. Available in rolls, sheets and custom die-cuts.

NS4400 Coarse, Rugged, Anti-Slip Vinyl Safety Tape

Hundreds of Applications:

Stairtreads, exercise equipment, therapy equipment, entryway, step stools, golf carts, aquatic equipment, playground apparatus, power lawn care machinery, dozens more.

NS4400 Coarse is a coarse-textured vinyl which provides good anti-slip properties in both wet and dry conditions. It is supplied with a pressure-sensitive, adhesive system which is functional both indoors and out. Excellent conformability to irregular surfaces and provides a comfortable feel to bare skin. It is easily installed in seconds to any smooth, clean, dry, oil-free surface including sealed wood, metal, fiberglass and sealed concrete - just peel off the paper backing and press in place - it's ready immediately. Available in rolls and custom die-cuts.

BAREFOOT FRIENDLY AND MOP FRIENDLY ANTI SLIP TAPES—COLOR AND TEXTURE CHART

NS4500 Series Slip Resistant Resilient

Safety Tape - Black, Gray & Clear

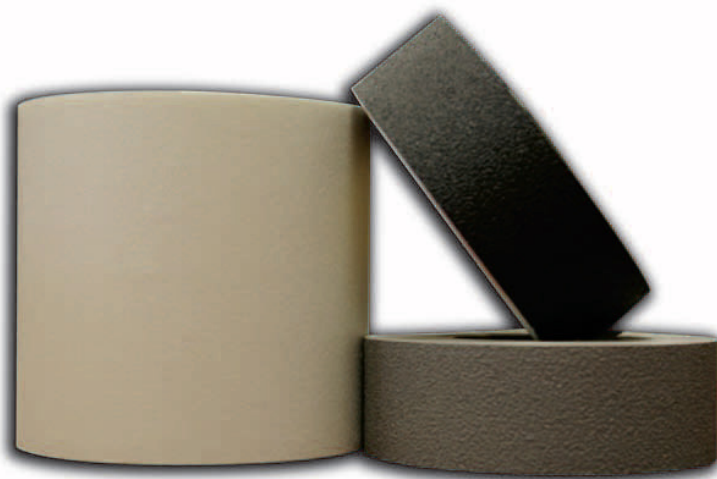

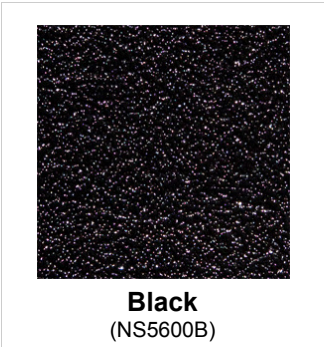

No Skidding's Resilient rubberized, textured anti-slip tape is designed for moderate to heavy shoe traffic and it is also comfortable for bare feet. Our Resilient no skid tapes also provide unparalleled Coefficient of Friction ratings in commercial, industrial and residential environments. Our adhesive system was designed to be durable enough for the demanding environments of industrial, commercial and OEM applications. Our resilient anti-slip tape is easy to clean and mop friendly. Available in black, gray or clear.

NS4500 Series unique co-polymer construction provides heavy duty slip resistance on par with most highly abrasive products, yet is soft to the touch. Because it is made of a rubberized material, it is comfortable for bare foot traffic, yet tough enough to withstand heavy boot, shoe, or cart traffic. Engineered as a premier performer, NS4500 resilient is a perfect solution for helping to prevent slips and falls on most industrial and commercial applications. NS4500 series is very conformable.

NS5600B Mop Friendly Grit Tape - Black

No Skidding® Mop Friendly Black Grit Tape is a commercial grade aluminum oxide anti-slip tape that has been designed to meet OSHA standards for general-purpose anti-slip surface applications and is also mop friendly.
