NS75100 SERIES PHOTOLUMINESCENT TAPE GLOWS for 1+ HOURS PROMO GRADE #75100

Description

Flexible laminated film coated with permanent acrylic pressure sensitive adhesive and backed with poly coated release liner. Promotional grade photoluminescent material designed to glow 1+ hours.

- A flexible laminated film that absorbs and stores energy from ambient light.
- In the event of a power failure or power outage this tape is immediately visible thereby providing people with a clearly illuminated evacuation route.
- Our photoluminescent tape is peel and stick and easily affixes to walls, columns, around door or window frames, handrails, along stairways and baseboards.
- Constructed from a flexible laminated film that is coated with permanent acrylic pressure sensitive adhesive and backed by poly-coated release liner.
- UV stable, and installation is a simple and position, peel of backing, and apply to dry, non oily surface.
- Custom sizes and shapes are available upon request.
- Available in 1"X30 ft, 2"X30 ft, 3"X30 ft and 6"X30 ft.

All information and testing are based on our best experience and knowledge and does not constitute a warranty of products sold. All No Skidding materials are sold with the understanding that the users will independently determine suitability of the end use of our product. We recommend customers test bondability immediately upon lamination or after aging, either accelerated or after a period of time.

Limitations

The technical data and suggestions for use in this product data sheet are currently correct to the best of our knowledge, but are subject to change without notice. Because application and conditions vary, and are beyond our control, we are not responsible for results obtained in using this product, even when used as suggested. The user should conduct tests to determine the suitability of the product for the intended use under then existing conditions. Any liability we may have with respect to a product or its use

PLEASE READ AND FULLY UNDERSTAND LABEL AND MSDS BEFORE USING.

Important: Seller's and manufacturers only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for the intended use, and the user assumes all risk and liability whatsoever in connection therewith. No statement of recommendation not contained herein shall have any force or effect unless in an agreement signed by officers of the seller and manufacturer. Buyer assumes all risk and liability associated with disposal.
