Please read detailed instructions & MSDS before using any No Skidding products.

Limitation of Liability: The great variation between environmental factors, possible surfaces and application techniques, and the lack of control we have over such matters, must affect our policies. Products

NO SKIDDING SAFETY TAPES

are guaranteed not to be defective when applied and used in accordance with instructions. However, liability whether express or implied, is limited to replacement of product or refund of purchase price and cannot include liability for labor costs or consequential damages. Because of the variety of circumstances affecting each job, it is the user's responsibility to determine the suitability and safety of the product for any particular application. This limited warranty may not be modified or extended by manufacturer's representatives, distributors, or dealers.

We particularly recommend that users always test in small inconspicuous areas before application to the entire surface. If you are chemically sensitive, always test for personal tolerance.
